Equal Opportunities Commission Financial Statements for the year ended 31 March 2015

Independent auditor's report to the Board of Commission Members of Equal Opportunities Commission

(Established in Hong Kong pursuant to the Sex Discrimination Ordinance)

We have audited the financial statements of Equal Opportunities Commission ("the Commission") set out on pages 127 to 154, which comprise the statement of assets and liabilities as at 31 March 2015, the statement of income and expenditure, statement of comprehensive income, statement of changes in funds and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information.

The Commission's responsibility for the financial statements

The Commission is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and for such internal control as the Commission determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. This report is made solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

我們相信,我們所獲得的審計憑證能充足 和適當地為我們的審計意見提供基礎。

意見

我們認為,該等財務報表已根據《香港財務報告準則》真實而中肯地反映委員會於 二零一五年三月三十一日的財政狀況及截 至該日止年度的財務表現及現金流量。 An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Commission, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Commission as at 31 March 2015 and of the Commission's financial performance and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards.

Significant accounting policies

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and accounting principles generally accepted in Hong Kong. A summary of the significant accounting policies adopted by the Commission is set out below.

The HKICPA has issued a number of amendments to HKFRSs and one new Interpretation that are first effective for the current accounting period of the Commission. The adoption of these amendments and Interpretation did not have material impact on the Commission's financial statements. The Commission has not applied any new standard or interpretation that is not yet effective for the current accounting period.

2 主要會計政策(續)

(b) 財務報表編製基準

本財務報表是以歷史成本作為 計量基準而編製的。

管理層會不斷修訂各項估計及相關假設。如果會計估計的修訂僅影響某一期間,則該修訂會在該期間內確認入帳,或與當計估計的修訂同時影響當前及未來期間內條訂會在該期間及未來期間內確認入帳。

Significant accounting policies (continued)

(b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is the historical cost basis.

The preparation of financial statements in conformity with HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenditure. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

2 主要會計政策(續)

(c) 物業、機器及設備與折舊

物業、機器及設備是以成本減去累計折舊及減值虧損後列帳。

折舊是在扣減物業、機器及設備的預計剩餘價值(如有)後,按預計可用年限以直線法沖銷 其成本,計算方法如下:

- 租賃物業	租賃期或六年
裝修	(以較短者為準)

- 辦公室傢俬 分別為五年及設備 及三年

- 汽車 七年

- 電腦軟件 三至五年

- 電腦硬件 四至五年

即時傳譯 六年及擴音系統

資產的可使用年限及其剩餘價值(如有)會每年檢討。

Significant accounting policies (continued)

(c) Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses.

Depreciation is calculated to write off the cost of items of property, plant and equipment, less their estimated residual value, if any, using the straight-line method over their estimated useful lives as follows:

- Leasehold improvements The shorter of the lease term and

6 years

Office furniture and equipment
 5 and 3 years respectively

Motor vehicles7 years

- Computer software 3 to 5 years

- Computer hardware 4 to 5 years

– Simultaneous interpretation 6 years and public address equipment

Both the useful life of an asset and its residual value, if any, are reviewed annually.

2 主要會計政策(續)

(c) 物業、機器及設備與折舊 (續)

委員會在每個匯報期間終結時 審閱物業、機器及設備的帳面 金額,以確定有否減值跡象。 減值虧損只限於當資產或所附 屬的現金產生單位的帳面金額 超過可收回金額時在收支結算 表內確認。資產或所附屬的現 金產生單位的可收回金額是其 公允價值減清理費用與使用值 兩者中的較高額。在評估使用 值時,估計未來現金流量會按 折讓率折讓至現值,而該折讓 率應反映市場當時所評估的貨 幣時間價值和該資產的獨有風 險。假如用以釐定可收回數額 的估計基準出現利好的變化, 有關的減值虧損便會撥回。

報廢或出售任何物業、機器及 設備所產生的損益以出售所得 淨額與資產的帳面金額之間的 差額釐定,並於報廢或出售日 在收支結算表內確認入帳。

(d) 營運租賃

凡擁有權所涉及的風險及利益, 均作為營運租賃入帳。根據 運租賃所支付的費用,在扣據 收到租賃人提供的任何優惠之 後,以直線法按租賃期在會計 期間在收支結算表中進行攤銷。

Significant accounting policies (continued)

(c) Property, plant and equipment and depreciation (continued)

The carrying amounts of property, plant and equipment are reviewed for indications of impairment at the end of each reporting period. An impairment loss is recognised in the statement of income and expenditure if the carrying amount of an asset, or the cashgenerating unit to which it belongs, exceed its recoverable amount. The recoverable amount of an asset, or of the cash-generating unit to which it belongs, is the greater of its fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. An impairment loss is reversed if there has been a favourable change in the estimates used to determine the recoverable amount.

Gains or losses arising from the retirement or disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the item and are recognised in the statement of income and expenditure on the date of retirement or disposal.

(d) Operating leases

Leases where substantially all the risks and rewards of ownership of assets remain with the lessor are accounted for as operating leases. Payments made under operating leases net of any incentives received from the lessor are charged to the statement of income and expenditure on a straight-line basis over the accounting periods covered by the lease term.

2 主要會計政策(續)

(e) 其他應收帳款

其他應收帳款初值按公允價值 確認及隨後採用實際利率法 攤銷成本減呆帳減值作出的影響 備列帳,惟在貼現的影響為 情列帳,惟在貼現的影響為 高關連人士的免息及無固定 為關連人士的免息及無固定 還年期的貸款以致無法計應 環時除外,在此情況下,應 帳款按成本減呆帳減值列帳。

Significant accounting policies (continued)

(e) Other receivables

Other receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method, less allowance for impairment of doubtful debts, except where the receivables are interest-free loans made to related parties without any fixed repayment terms or the effect of discounting would be immaterial. In such cases, the receivables are stated at cost less allowance for impairment of doubtful debts.

Impairment losses for bad and doubtful debts are recognised when there is objective evidence of impairment and are measured as the difference between the carrying amount of the financial asset and the estimated future cash flows, discounted at the asset's original effective interest rate where the effect of discounting is material. Objective evidence of impairment includes observable data that come to the attention of the Commission about events that have an impact on the asset's estimated future cash flows such as significant financial difficulty of the debtor.

Impairment losses for other receivables whose recovery is considered doubtful but not remote are recorded using an allowance account. When the Commission is satisfied that recovery is remote, the amount considered irrecoverable is written off against the receivable directly and any amounts held in the allowance account relating to that debt are reversed. Subsequent recoveries of amounts previously charged to the allowance account and subsequent recoveries of amounts previously written off directly are recognised in the statement of income and expenditure.

2 主要會計政策(續)

(f) 其他應付帳項及應計費用

其他應付帳項及應計費用初值 按公允價值確認,其後按攤銷 成本列帳;除非在貼現的影響 非常微小時,則按成本列帳。

(q) 現金及現金等價物

現金及現金等價物包括銀行存款及現金、存放於銀行及其他財務機構的活期存款,及短期和高流動性的投資,此等投資可隨時換算為已知的、價值變動方面的風險不大,及於購入後三個月內到期的現金額。

(h) 僱員福利

(i) 僱員假期及約滿酬金享有 權

> 僱員應享有的年假及約滿 酬金於確立時確認。截至 年結日止,因僱員已提供 服務而產生的未放年假及 約滿酬金已撥出準備。

> 僱員應享有的病假、分娩 假及侍產假於放假時才確 認。

(ii) 退休余責任

Significant accounting policies (continued)

(f) Other payables and accruals

Other payables and accruals are initially recognised at fair value and subsequently stated at amortised cost unless the effect of discounting would be immaterial, in which case they are stated at cost

(g) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other financial institutions, and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition.

(h) Employee benefits

(i) Employee leave and gratuity entitlements

Employee entitlements to annual leave and gratuities are recognised when they accrue to employees. A provision is made for the estimated liability for untaken annual leave and gratuities as a result of services rendered by employees up to the year end date.

Employee entitlements to sick leave, maternity leave and paternity leave are not recognised until the time of leave.

(ii) Pension obligations

The Commission has established a mandatory provident fund scheme ("MPF Scheme") in Hong Kong. The assets of the MPF Scheme are held in separate trustee-administered funds. The Commission has no further payment obligations once the contributions have been paid. The contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(i) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the Commission has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. When the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

(j) Income recognition

Income is measured at the fair value of the consideration received or receivable. Provided it is probable that the economic benefits will flow to the Commission and the income and expenditure, if applicable, can be measured reliably, income is recognised in the statement of income and expenditure as follows:

(i) Government subventions

Government subventions are recognised initially when there is reasonable assurance that they will be received and that the Commission will comply with the conditions attaching to them. Government subventions that compensate the Commission for expenses incurred are recognised as income in the statement of income and expenditure on a systematic basis in the same periods in which the expenses are incurred.

5 其他應收帳款、按金及預付款 項(續)

(b) 其他應收帳項減值

委員會採用準備帳來記錄其他 應收帳項的減值虧損,但在委 員會認為收回的可能性極低 時,則會將減值虧損的數額 直接沖銷其他應收帳項(附註 2(e))。

於2015年3月31日,委員會已個別釐定為減值的其他應收帳項為767,677元(2014年:767,677元)。個別減值的應收帳項與第三方遇上財政困難有關,據管理層評估,金額不能夠收回。因此,委員會已於過往數年確認呆帳特定準備金額767,677元。年內呆帳準備沒有變動。

Other receivables, deposits and prepayments (continued)

(b) Impairment of other receivables

Impairment losses in respect of other receivables are recorded using allowance account unless the Commission is satisfied that recovery of that amount is remote, in which case the impairment loss is written off against other receivables directly (see note 2(e)).

At 31 March 2015, the Commission's other receivables of \$767,677 (2014: \$767,677) were individually determined to be impaired. The individually impaired receivables related to a third party for which the recoverability as assessed by management is uncertain. Consequently, specific allowances for doubtful debts of \$767,677 were recognised in previous years. There were no movements in the allowance for doubtful debts during the year.

The Commission defines reserves as Total Funds. The Commission's primary objectives when managing its funds are to safeguard the Commission's ability to continue as a going concern. The reserves at the end of the financial year are capped at 25% of the Commission's annual recurrent subvention of the next financial year, plus the net book value of property, plant and equipment less accrued reinstatement cost ("the reserve ceiling"). The reserves are available for general use and can be spent at the discretion of the Commission within the reserve ceiling, exceeding which would need to be returned to the Government, except with the approval of the Permanent Secretary for Constitutional and Mainland Affairs ("PSCMA") or the reserve ceiling is raised by PSCMA following consultation with the Secretary for Financial Services and the Treasury.

14 財務風險管理及金融工具的公 允價值

風險管理由財務部根據委員會的行政及財務專責小組核准的程序指導方針執行。財務部鑑別和評估財務風險,就整體的風險管理訂定程序指導方針,例如利率風險、金融工具的運用,以及額外流動資金的投資方式。

委員會的運作,並不涉及外匯風險、 信貸風險及資金周轉風險。至於利 風險,除按固定利率計算利息的短期 銀行存款外,委員會並無其他重大 息資產及負債。因此,委員會的大 及營運現金流量大部分都不受市場 率變動的影響,須面對的現金流量及 公允價值利率風險亦較低。

(a) 信貸風險

委員會的信貸風險主要來自銀 行存款、現金及現金等價物。 委員會在信貸評級良好的金融 機構存放現金,以盡量減低信 貸風險。鑒於他們的信貸評級 良好,委員會預期沒有任何這 些金融機構不能履行責任。

委員會所承受的信貸風險上限 為資產負債表中每項金融資產 的帳面金額。委員會沒有提供 任何可引致委員會承受信貸風 險的擔保。

Financial risk management and fair values of financial instruments

Risk management is carried out by the finance department under the procedural guidelines approved by the Members of the Administration and Finance Committee of the Commission. The finance department identifies and evaluates financial risks and provides procedural guidelines for overall risk management such as interest-rate risk, use of financial instruments and investing excess liquidity.

The Commission's activities do not expose it to foreign exchange risk, credit risk and liquidity risk. For interest-rate risk, except for the short-term bank deposits which bear interest at market rates, the Commission has no other significant interest-bearing assets and liabilities. Accordingly, the Commission's income and operating cash flows are substantially independent of changes in market interest rates and the exposure to cash flow and fair value interest rate risk is low.

(a) Credit risk

The Commission's credit risk is primarily attributable to bank deposits and cash and cash equivalents. Cash is deposited with financial institutions with sound credit ratings to minimise credit exposure. Given their high credit ratings, the Commission does not expect any of these financial institutions will fail to meet their obligations.

The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of assets and liabilities. The Commission does not provide any guarantees which would expose the Commission to credit risk.

14 財務風險管理及金融工具的公 允價值(續)

(b) 資金周轉風險

委員會的政策是定期監察現時 及預計的資金周轉需要,以確 保維持足夠現金儲備應付短期 及較長期的資金周轉需要。

下表詳述委員會金融負債在財政年度結算日當日之剩餘合約年期,乃根據未貼現合約現金流及委員會可能被要求付款之最早日期編製:

(b) Liquidity risk

The Commission's policy is to regularly monitor its current and expected liquidity requirements to ensure that it maintains sufficient reserves of cash to meet its liquidity requirements in the short and longer term.

The following table details the remaining contractual maturities at the financial year end date of the Commission's financial liabilities, which are based on contractual undiscounted cash flows and the earliest date the Commission can be required to pay:

14 財務風險管理及金融工具的公 允價值(續)

(c) 利率風險

委員會所涉及的利率風險只有 按市場利率計息的短期銀行存 款。

敏感度分析

估計假若利率整體上升/下調100(2014年:100) 個基點,而其他變數均維持不變,不預期對委員會的盈餘/(虧損)及儲備於2015年3月31日有重大影響。

上述敏感度分析乃假設利率的變動於財政年度結算日引致三用於計算該日引致至門所於計算該日引致至別並已用於計算該日引致至別域的。 100點子的增加或減少個別之管理層評估直至下一個間對上, 是管理層評估直至當日期國 是管理區的財政年度結算日當中期 是管理區間間的分析亦是根據上述 2014年的分析亦是根據上述 準進行。

(d) 貨幣風險

委員會所有的交易均以港元計 價,委員會因而沒有承受貨幣 風險。

(e) 公允價值衡量

委員會的金融工具按成本或攤銷成本列帳的帳面金額與其於2015年及2014年3月31日的公允價值並無重大差異。

Financial risk management and fair values of financial instruments (continued)

(c) Interest rate risk

The Commission's only exposure to interest rate risk is via its short-term bank deposits which bear interest at market rates.

Sensitivity analysis

At 31 March 2015, it is estimated that a general increase/decrease of 100 (2014: 100) basis points in interest rates, with all other variables held constant, the impact on the Commission's surplus/(deficit) and reserves is not expected to be material.

The sensitivity analysis above has been determined assuming that the change in interest rates had occurred at the financial year end date and had been applied to the financial instruments which expose the Commission to interest rate risk at that date. The 100 basis points increase or decrease represents management's assessment of a reasonably possible change in interest rates over the period until the next annual financial year end date. The analysis is performed on the same basis for 2014.

(d) Currency risk

The Commission has no exposure to currency risk as all of the Commission's transactions are denominated in Hong Kong dollars.

(e) Fair value measurement

The carrying amounts of the Commission's financial instruments carried at cost or amortised cost are not materially different from their fair values as at 31 March 2015 and 2014.

Comparative figures

Certain comparative figures have been adjusted to conform to current year's presentation.

Possible impact of amendments, new standards and interpretations issued but not yet effective for the year ended 31 March 2015

Up to the date of issue of these financial statements, the HKICPA has issued a few amendments and new standards which are not yet effective for the year ended 31 March 2015 and which have not been adopted in these financial statements.

The Commission is in the process of making an assessment of what the impact of these amendments and new standards is expected to be in the period of initial application. So far it has concluded that the adoption of them is unlikely to have a significant impact on the Commission's financial statements.
