Data Access Request Form

Important Notice to Data Access Requestor

1. Please complete this Form in Chinese or in English. Please read this Form and the footnotes carefully before completing this Form. The EOC may consider request(s) made in other languages as far as practicable. This Form is adapted from the form specified by the Privacy Commissioner for Personal Data under section 67(1) of the Personal Data (Privacy) Ordinance (“the PDPO”). For a complete and definitive statement of the law, please refer to the PDPO itself. The EOC may not be able to process your data access request (“your request”) if it is not made in this Form (see section 20(3)(e) of the PDPO).
2. To make a data access request, you must either be the data subject or a “relevant person” as defined in section 2 or 17A of the PDPO (please refer to Part I of this Form).
3. You are not entitled to access data which is not personal data or personal data not belonging to the data subject (see section 18(1) of the PDPO). The EOC is only required to provide you with a copy of the data subject’s personal data rather than a copy of the document containing the data subject’s personal data. In most situations the EOC may elect to provide a copy of the document concerned with redaction, if the document concerned contains other persons’ personal data (please refer to section 20 of the PDPO). If the personal data you request is recorded in a non-written form, the EOC may provide the data in a form in which it is practicable to supply a copy.
4. It is important that you specify in the Form clearly and in detail the personal data that you request for. The EOC may seek clarification from you relating to the request. The EOC may not be able to process your request if you have not supplied the EOC with such information as the EOC may reasonably require for locating the requested data (please refer to section 20(3)(b) of the PDPO). If you supply any false or misleading information in this Form for the purpose of having the EOC comply with your request, you may commit an offence (please refer to section 18(5) of the PDPO).
5. The EOC may require you to provide an identity proof such as your Hong Kong Identity Card for complying with your request.
6. The EOC Office will charge for each data access request a processing fee for complying with the request (see section 28(2) of the PDPO) as follows:
 - (i) HK\$2.5 per page for paper record¹ or;

¹ For paper records, the processing work incurred by the EOC includes but is not limited to locating, vetting, sorting and redacting information and photocopying of documents.

- (ii) HK\$55 for the simple production of a CD/CD-ROM/DVD/audio/video record²; or
 - (iii) HK\$7 per minute of an audio record which may require editing work like redacting any personal information relating to a third party³; or
 - (iv) A variable fee based on the lowest quotation for the production a CD/CD-ROM/DVD/audio/video record which requires complicated editing work⁴ or
 - (v) A fee which varies according to the actual amount of audio recordings to be transcribed in the form of a transcript. The variable fee will be based on either
 - (a) the direct and necessary costs of transcription to be done by appropriate EOC staff or
 - (b) the lowest quotation charged by a service provider hired by the EOC, whichever cost is lower⁵.
7. The EOC may refuse to comply with a data access request unless and until any fee imposed by the EOC for complying with the request has been paid (See section 28(5) of the PDPO).
 8. For payment methods, please see the **Appendix**.
 9. The EOC may also refuse to comply with your request in the circumstances specified in section 20 of the PDPO.
 10. The completed Form should be sent directly to ***Equal Opportunities Commission, 16/F, 41 Heung Yip Road, Wong Chuk Hang, Hong Kong*** and addressing to responsible persons as follows:
 - (a) Director (Complaint Services) or the Chief Legal Counsel for personal data held in records of enquiries and complaints in respect of anti-discrimination legislation in their respective areas of work; and
 - (b) Director (Corporate Planning and Services) for personal data held in all other records.

² If the data access request requires processing of paper records and conversion of these records into files/records to be stored in a digital format such as CD-ROM, the processing fee will include both the fee for processing paper records and the processing fee of production of a digital format.

³ If the audio record is requested to be stored in a digital format, the fee for the production of the specified digital format, i.e. item 6(ii) above, will also be charged.

⁴ Where more complicated editing work like redacting the personal data not belonging to the data subject is required, and the work needs to be outsourced to a service provider, the processing fee will be based on the lowest quotation obtained by the EOC for work to be performed by a service provider hired by the EOC.

⁵ If the transcription is requested to be stored in a digital format, the fee for the production of the specified digital format, i.e. item 6(ii) above, will also be charged.
