## Statement of Commitment

Our company/ organisation understands and believes that equal access to different premises is essential for everyone, regardless of age, ability, family status and status in life, to fully participate in society.

On behalf of the above listed company/ organisation, I pledge to

- Review and identify accessibility barriers
- Plan and reserve budget to increasing accessibility
- Join accessibility training sessions and support equal opportunities-themed activities organised by the Equal Opportunities Commission
- Advocate for an accessible environment to be usable by people with diverse needs
